

12th International Conference on
Hyperbolic Problems: Theory, Numerics, Applications

Center for Scientific Computation and Mathematical Modeling & Department of Mathematics
University of Maryland, College Park
June 9-13, 2008

Fourth Announcement

The Twelfth International Conference on
"Hyperbolic Problems: Theory, Numerics, Applications"
University of Maryland, College Park, USA, June 9-13, 2008

Dear participant of the 2008 conference on Hyperbolic Problems (HYP2008),

Below are a few recent updates on the HYP2008 meeting.

Registration

The main auditorium of HYP2008 is now full and the **registration for new participants is closed**. The Login webpage <https://www.cscamm.umd.edu/hyp2008/login.aspx> remains accessible only to registered participants.

Schedule

Plenary, invited and contributed speakers at HYP2008 may view the schedule of their talks through the above Login webpage.

Plenary and invited abstracts are posted at: <http://www.hyp2008.umd.edu/speakers.htm>.
The complete schedule of talks will be posted before the end of May.

Participants are listed at <http://www.hyp2008.umd.edu/ViewAllParticipants.aspx>.

Talks

Each room is equipped with laptop projection capability and a transparency/overhead projector. If you require special accommodations, setup, or materials for your talk, please inform the conference office at contact@hyp2008.umd.edu.

Lodging

The blocks of hotel rooms nearby campus, which were secured at a reduced HYP2008 rate, will expire after the deadline of **May 9, 2008**. Hotels at a preferred rate may be reserved through <http://globetrottermgmt.com/hyp/>.

Detailed lodging information is available at the conference website <http://www.hyp2008.umd.edu/lodging.htm>.

Banquet

If you and your guest(s) plan to attend the conference banquet on Wednesday evening, June 11, you can login and pay through the above Login webpage.

Looking forward to seeing you in College Park,

Eitan Tadmor, Jian-Guo Liu and Thanos Tzavaras
University of Maryland, College Park
